Re: Rivera v. Connolly, 18-CV-3958 (PMH)

Dear Judge Halpern:

I write respectfully to request a thirty-day adjournment of defendants' time to file a pre-motion letter from May 3, 2021, to June 2, 2021. On April 1, 2021, I appeared in this matter in place of Assistant Attorney General Jonathan Wilson who left the office. See Docket Nos. 70-72. Since that time, I have had a number of deadlines in other matters and, as a result, have not yet been able to complete my review of the case file. The additional time will allow me to complete my review prior to filing a pre-motion letter with the Court.

I understand from the Docket sheet that this is defendant's third request for an extension of the deadline to file a pre-motion letter with the Court, although it is my first such request since appearing in the case. Counsel for plaintiff, Alan Levine, Esq., consents to this application.

Thank you.

Respectfully submitted,

/s/ Neil Shevlin
